COLLECTION

A Statement
of Grandeur

Glazed Vitrified Tiles

Onyx collection is the epitome of luxury and elegance, known for their translucent beauty and unique, flowing patterns. Inspired by natural onyx stone, these tiles feature rich veining, vibrant tones, and a glossy finish that adds depth and drama to any space. Onyx tiles are often used in high-end interiors to create a statement, especially in living rooms, feature walls, bathrooms, and even countertops. Their luminous surface can reflect light beautifully, giving a glowing effect that enhances the ambiance. Whether used in large slabs or detailed accents, onyx tiles bring a sense of sophistication and opulence that transforms ordinary spaces into extraordinary showcases of design.

THICKNESS

Refined Beauty, Timeless Appeal

Onyx tiles are premium surface materials available in glazed vitrified or porcelain formats, designed to replicate the luxurious look of natural onyx stone. with a glossy or high-gloss finish that enhances their translucent appearance. Onyx tiles are generally 9 mm thick, offering a strong yet elegant surface for walls and floors. They feature digital printing technology that captures realistic veining and depth, Onyx tiles are stain-resistant, scratch-resistant, and low maintenance, making them suitable for indoor applications in living rooms, bathrooms, lobbies, and feature walls. These tiles are rectified for precise edges and are packed securely in export-quality boxes, ensuring safe handling and delivery.

Long Durability	Impact Resistance	Easy Installation	Frost Resistance
Fire Resistance	Chemical Resistance	Thermal Shock Resistance	Dimensional Stability
Hygienic Surface	Easy to Clean	Low Water Absorption	Crazing Resistance

Shine Beyond Ordinary
with ONYX Tiles.

ONYX
COLLECTION

Lustrous Beauty,
Rock-Solid Durability

Onyx tiles are widely used in spaces where elegance and visual impact are key. Their rich patterns and glossy finish make them ideal for feature walls, TV backdrops, living room highlights, and lobby areas. In bathrooms, they add a luxurious spa-like feel when used on walls or vanity surrounds. Onyx tiles are also popular in hotel receptions, showrooms, boutiques, and high-end residential interiors, where their glowing, marble-like appearance enhances sophistication. These tiles are best suited for indoor wall applications and light foot-traffic flooring, as their smooth surface prioritizes aesthetics over heavy-duty durability. Whether installed as full slabs or artistic inlays, onyx tiles bring an aura of richness and exclusivity to any setting.
